

MEMORANDUM FOR THE RECORD:

SUBJECT: Maintenance of Security Office 201 Index Files

25X1A9a 1. Mr. [REDACTED] of the Office of Security called on us today to discuss the relative merits of various types of equipment which could be used in the maintenance of Security Office index files. After reviewing the possibilities of the various types of equipment with which we are presently familiar, I asked

25X1A9a Mr. [REDACTED] to go over with us the possibilities and the present status of various types of electronic equipment expected to be available within the next few years. Following this general discussion I agreed to prepare for Mr. [REDACTED] a draft of a memorandum which he could use in preparing a report on the file problems for his superior. Attached is a memorandum which was
